For Our Phase 1 Construction Project!

“...then the people rejoiced for that they offered willingly” 1 Chronicles 29:9

Our Goal: To raise \$120,000 in the next 12 months with giving that is over and beyond our regular tithes to cover the balance needed for projected costs.

- Designate all gifts for “Building Fund.”
- Invite friends of the ministry to participate!
- Want to contribute online instead at our church’s website? Scan this QR code and it will take you there!
